- Accidental injuries and occupational diseases: Editorial 523
- Acetyl-choline hydrochloride, treatment with: peripheral vascular diseases: W. C. Waters 1267
- Adequate treatment of anemia: George R. Minot and William B. Castle..... 159
- Adrenal cortex, the vital hormones of the: F. A. Hartman, B. D. Bowen, G. W. Thorn and C. W. Greene.... 539
- Advanced pulmonary tuberculosis: Lewis J. Moorman 1022
- Agranulocytosis: its classification, with cases and comments: Stewart R. Roberts and Roy R. Kracke..... 40
- Alexander, H. L.: An evaluation of the skin test in allergy 52
- Allen, Edgar V. (with Geo. E. Brown): Raynaud's disease affecting men 1384
- Allen, Edgar V. (with L. M. Waller): The use of sulphur for the production of fever in peripheral vascular disease 478
- Allergy, an evaluation of the skin test in: H. L. Alexander 52
- Amebiasis, complement fixation in diagnosis of: C. F. Craig 170
- American mountain tick-fever and spotted fever of the Rocky Mountains, comparative epidemiography: Noxon Toomey 601
- American mountain tick-fever, semeiography and nosology: Noxon Toomey 912
- Amoss, Harold L.: Treatment of recurrent erysipelas 500
- Anderson, J. P.: Quinidine therapy in the treatment of cardiac irregularities due to hyperthyroidism 825
- Andresen, A. F. R.: Medical aspects of peptic ulcer 192
- Anemia, adequate treatment of: George R. Minot and W. B. Castle 159
- Anemia associated with gastrointestinal disorders; clinical considerations and value of iron in treatment: C. S. Keefer 740
- Anemias, causes, classification and diagnosis of: E. E. Osgood and H. D. Haskins 1367
- Anemia, diet as a factor in the etiology of: Richard A. Kern 729
- Anemia, pernicious, the coincidental occurrence of diabetes mellitus and: report of two cases: Charles Shook-off 1161
- Anemia, pernicious, the treatment of: a comparative study of the use of whole liver, liver extract and ventriculin: Hugo A. Freund and Alvin E. Price 1377
- Anemia, pernicious, the treatment of, with dessicated stomach and with liver extract: Cyrus C. Sturgis and Raphael Isaacs 131
- Anemia, primary aplastic: J. B. Carey and J. H. Taylor 471
- Aneurysms, dissecting, of the aorta: Paul C. Samson 117
- Angina pectoris, treatment of, with a tissue vasodilator extract: preliminary report: Joseph B. Wolfe, Donald Findlay and Edward Dessen 625
- Aorta, dissecting aneurysms of the: Paul C. Samson 117
- Aortitis, syphilitic, a diagnostic triad in: C. S. Danzer 29
- Aortitis, syphilitic, in retrospect: William S. Middleton 294
- Appendicitis, clinical significance of so-called chronic: Julius Friedenwald and Theodore H. Morrison 1
- Application of a modified psychiatric approach in the treatment of certain gastrointestinal disorders: Theodore H. Morrison and Samuel Morrison 371
- Armstrong, Charles: Post-vaccination encephalitis 333

- Arsphenamines, toxic granulocytopenia, purpura hemorrhagica and aplastic anemia following the: Adolph B. Loveman 1238
- Arterial occlusions, multiple: H. W. Dana 955
- Arthritis, colonic changes in chronic: W. H. Dickson 408
- Arthritis, experimental basis for intravenous vaccine therapy in chronic: B. J. Clawson and M. Wetherby... 1447
- Arthritis, rheumatoid: Russell L. Cecil 23
- Arthritis, the relation of the intestinal tract and diet to the treatment of: Ralph Pemberton and E. G. Peirce 1221
- Ascending paralysis resulting from the drinking of "Jamaica Ginger"; a clinical study of fifty cases: Delbert H. Werden 1257
- Aschheim-Zondek test, significance of positive in the male: Editorial 660
- Atrophy, acute yellow, cinchophen poisoning a partial explanation for the increasing incidence of: Editorial 231
- Auricular flutter and complete heart block, with restoration of sinus rhythm and A-V conduction: Leslie T. Gager 463
- Auricular paroxysmal tachycardia caused by digitalis. Report of a case: Arthur F. Heyl 858
- Auriculo-ventricular nodal rhythm: Carl V. Vischer and L. L. Lane... 1010
- Autopsies, how to obtain more: D. Schuyler Pulford 1315
- B**ALTZ, JAMES I. (with J. G. Mateer): An evaluation of stool vaccines in chronic irritable colon therapy 982
- Balyeat, Ray M. (with Herbert J. Rinkel): Further studies in allergic migraine; based on a study of two hundred and two consecutive cases 713
- Barach, Alvan L.: The therapeutic use of oxygen in heart disease 428
- Barker, Lewellys F.: Malignant thymoma of reticulum-cell type with pressure on the left lung, trachea, esophagus, left phrenic and left recurrent laryngeal nerves and with metastases to the glands of the left side of the neck; importance of biopsy for differential diagnosis of clinical lymphadenopathies 1113
- Barnes, Arlie R.: Medical and surgical problems associated with coronary sclerosis 873
- Barr, David P. (with Howard A. Bulger): The relation of the parathyroid glands to calcium metabolism 552
- Barrier, Charles W.: Tachycardia .. 829
- Bell, Howard H.: Obituary 1333
- Benzol poisoning, blood changes in: Editorial 803
- Bernstein, Mitchell: Subacute bacterial endocarditis following the extraction of teeth 1138
- Bilateral double kidney with duplication of ureters: R. M. Lintz 924
- Blackford, Staige D.: Pulmonary lesions in human tularemia 1421
- Blake, Francis G.: Observations on pneumococcus type III pneumonia .. 673
- Blood changes in benzol poisoning: Editorial 803
- Bollman, Jesse L. (with Frank C. Mann): Experimentally produced lesions of the liver 699
- Boston, Leonard Napoleon: Obituary 398
- Bowen, Byron D. (with F. A. Hartman, G. W. Thorn and C. W. Greene): The vital hormone of the adrenal cortex 539
- Brain, metastatic malignant tumors of the: Harold F. Dunlap 1274
- Breuer, Miles J.: The prestige of the internist 381
- Bronchomoniliasis: Otis S. Warr ... 307
- Brown, George E. (with Bayard T. Horton): Thrombo-angiitis obliterans among persons past middle age 613
- Brown, George E. (with Edgar V. Allen): Raynaud's disease affecting men 1384
- Brown, Thomas R.: Early diagnosis of neoplasms of the digestive tract.. 9
- Bulger, Howard A. (with D. P. Barr): The relation of the parathyroid glands to calcium metabolism 552
- Burdock, the effect of the ingestion of, on normal and diabetic individuals—

- a preliminary report: A. A. Silver and John C. Krantz 274
- Burgess, Alex M.: The reaction to nitrites in the anginal syndrome and arterial hypertension 441
- Burnett, Clough T.: Rheumatic heart disease 1337
- Butler, C. S.: Hero worship and the propagation of fallacies 1033
- C**ALCIUM metabolism, the relation of the parathyroid glands to: Harold A. Bulger and David P. Barr 552
- Cancer, on the "cause" of: Editorial .. 385
- Carbon monoxide deaths: Editorial.. 71
- Carcinomas, including seven primary, in the lung with autopsy findings: Malignancy in the lung: Henry Monroe Moses 765
- Cardiac conditions in exophthalmic goiter; the historical development of the present conception of: A. Morris Ginsberg 505
- Cardiac pain, a theory of the causation of: Alexander Lambert 256
- Carey, James B. (with J. H. Taylor): Primary aplastic anemia, a discussion and report of two cases 471
- Castle, W. B. (with G. R. Minot): The adequate treatment of anemia 159
- Causes, classification and differential diagnosis of anemias. Based on the detailed examination of over 200 patients and a study of the literature: Edwin E. Osgood and Howard D. Haskins 1367
- Cecil, Russell L.: Rheumatoid arthritis 23
- Chapell, Carl Donald: Obituary ... 1220
- Chapman, Lawrence Evans: Obituary 953
- Chests, observations on contour of normal and tuberculous female: S. A. Weisman 907
- (3) Cholelithiasis, unusual case of: Laboratory methods in clinical medicine. Report of three cases: (1) Diaphragmatic eventration; (2) Chronic nephritis without hypertension, cardiac hypertrophy, or retinal changes: Samuel Levine .. 1000
- Chondrodysplasia, hereditary deforming: M. A. Spangenberg 962
- Choroidal tubercles, the clinical significance of: R. T. Paton 997
- Christian, Henry A.: Chronic myocardial insufficiency and its therapeutic management 95
- Chronic myocardial insufficiency and its therapeutic management: Henry A. Christian 95
- Cinchophen poisoning a partial explanation for the increasing incidence of acute yellow atrophy: Editorial.... 231
- Circulatory adjustments in heart disease: Soma Weiss 100
- Cirrhosis, portal, clinical aspects of: Albert M. Snell 338
- Civic pride and public health: Editorial 1553
- Clapp, C. A.: Modern conception of retinal detachment with its relation to internal medicine 1313
- Clark, Mallie Adkin: Obituary 1333
- Clawson, B. J. (with M. Wetherby): An experimental basis for intravenous vaccine therapy in chronic arthritis with a summary of results obtained in patients 1447
- Clinical aspects of portal cirrhosis: Albert M. Snell 338
- Clinical significance of choroidal tubercles: R. T. Paton 997
- Clinical significance of so-called chronic appendicitis: Julius Friedenwald and Theodore H. Morrison 1
- Coincidental occurrence of diabetes mellitus and pernicious anemia: report of two cases: Charles Shook-off 1161
- Colds, etiology of: J. E. Walker ... 1526
- College News Notes 80, 238, 393, 530, 668, 813, 948, 1045, 1203, 1329, 1445, 1560
- Collins, Harry A.: Ephedrine in the treatment of narcolepsy 1289
- Colonic changes in chronic arthritis: W. H. Dickson 408
- Comparative study of the use of whole liver, liver extract and ventriculin: Hugo A. Freund and Alvin E. Price 1377
- Complement fixation in the diagnosis of amebiasis: Charles F. Craig 170
- Control of the tick-borne diseases, methods and economics: Noxon Toomey 1513

- Cooper, George F.: Post-pneumonic lung abscess resembling lung tumor, with case report 1308
- Corbus, Burton R.: Editorial; Medicine to-day and to-morrow 1196
- Coronary sclerosis, medical and surgical problems associated with: Arlie R. Barnes 873
- Coronary thrombosis, the management of, and its complications: Blanton P. Seward 1145
- Craig, C. F.: Complement fixation in diagnosis of amebiasis 170
- Crawford, J. Hamilton (with Louis H. Sigler and H. Fruchter): Paroxysmal tachycardia related to the menstrual period 1155
- Cutaneous manifestations of systemic diseases: Udo J. Wile 1103
- D**ANA, HAROLD W.: Multiple arterial occlusions 955
- Danzer, C. S.: A diagnostic triad in syphilitic aortitis 29
- Davis, Adam Clarke: Obituary 1047
- Denman, Harold C.: Syphilis of the lung, report of case with autopsy findings 895
- Dercum, Francis Xavier: Obituary .. 92
- Dessen, Edward (with J. B. Wolfe and D. Findlay): Treatment of angina pectoris with a tissue vasodilator extract 625
- Diabetes, hypertension and: H. J. John 1462
- Diabetes insipidus, the etiology and treatment of: T. B. Futcher 566
- Diabetes in the negro race: E. J. Leopold 285
- Diabetes mellitus and pernicious anemia, the coincidental occurrence of: Charles Shookoff 1161
- Diabetes mellitus, fallacy of the weighed diet in the treatment of: Helmuth Ulrich 1487
- Diabetes mellitus, the insulin coefficient, an improved method for the clinical control of: John R. Williams ... 264
- Diabetic, does liver therapy benefit the: E. L. Sevringhaus 1387
- Diabetic individuals, the effect of the ingestion of burdock on normal and: A. A. Silver and John C. Krantz .. 274
- Diagnosis of hyperthyroidism: Maynard E. Holmes 1028
- Diagnostic triad in syphilitic aortitis: C. S. Danzer 29
- Diagnostic value of secretory function in gastric disease: various methods studied and compared: Ernest H. Gaither 992
- Diaphragm, on the morbid anatomy of: Baldwin Lucké 750
- Diaphragm, the heart and the: I. M. Trace 759
- (1) Diaphragmatic eventration; laboratory methods in clinical medicine. Report of three cases; (2) Chronic nephritis without hypertension, cardiac hypertrophy, or retinal changes; (3) Unusual case of cholelithiasis: Samuel Levine 1000
- Dickson, W. H.: Colonic changes in chronic arthritis 408
- Diet as a factor in the etiology of anemia: Richard A. Kern 729
- Dietetic control of some forms of hypertension and the associated gastrointestinal and nervous symptoms: V. C. Rowland 971
- Dietetic treatment of tuberculosis: Ernest S. Mariette 793
- Digestive tract, early diagnosis of neoplasms of the: Thomas R. Brown 9
- Disease, gastric, diagnostic value of secretory function in: various methods studied and compared. Ernest H. Gaither 992
- Dissecting aneurysms of the aorta: Paul C. Samson 117
- Does liver therapy benefit the diabetic?: Elmer L. Sevringhaus 1387
- Douglas, Robert Gibbs: Obituary .. 672
- Dunlap, Harold F.: Metastatic malignant tumors of the brain 1274
- Dysplasia, hereditary ectodermal, of the anhidrotic type: William H. Gordon and Robert C. Jamieson 358
- E**ARLY diagnosis of neoplasms of the digestive tract: Thomas R. Brown 9
- Early manifestations of rheumatic infections in young children: C. C. McLean 1357
- Edgerly, Edward Tyler: Obituary .. 951

- Editorials70, 231, 385, 518, 659, 803, 932, 1039, 1196, 1321, 1437, 1552
- Effect of the ingestion of burdock on normal and diabetic individuals—a preliminary report: A. A. Silver and John C. Krantz 274
